Product: Sustarin® C MDT blue

We hereby confirm that our semi-finished products made of

Sustarin® C MDT blue

Polyacetal (POM-Copolymer) is compliant with applicable FDA regulations for food contact. These products are extruded by using high-quality polyacetal resins. Due to manufactures data the used resins meet the requirements for use in food contact applications according to **Federal Regulations CFR 21, part 177, paragraph 2470** "Polyoxymethylene copolymer", as well as, if applicable, further specific FDA regulations for additives or colorants contained (e.g. FDA 21 CFR 178.3297 Colorants for polymers).

Restrictions:

Types of food	All types of food except foods containing 15% or more alcohol
Conditions of use	Use temperature shall not exceed 121 °C / 250 deg F per 21 CFR 177. 2470
Application	Repeated use articles only per 21 CFR 177. 2470

Compliance with these requirements was not checked on the semi-finished product, as these generally relate to the final article. The exact provisions of § 21 CFR 177.2470 can be found at:
<https://www.accessdata.fda.gov/scripts/cdrh/cfdocs/cfcfr/cfrsearch.cfm>

The quality assurance system of Röchling Sustaplast SE & Co. KG is certified as per DIN EN ISO 9001 and serves as an important basis for the constant composition and quality of **Sustarin® C MDT blue**.

Note:

It is the customer's own responsibility to test the suitability of plastic items manufactured from or with our products for the planned application in the foodstuff industry. That includes for example:

- testing, if the physical characteristics of the plastic are suitable for the planned application,
- testing, if plastic parts manufactured by the customer fulfil the prescribed migration or extraction values,
- testing for possible influence of the plastic on the composition and/or organoleptic characteristics of foodstuffs,

The information above is based on the information provided by our suppliers. We are not liable for completeness and correctness of information contained herein. Existing laws and regulations must be respected by the receivers/users of our products in their own responsibility.

This declaration is reevaluated in case of expiry of validity, modifications of directives and laws, raw materials, formula, manufacturing procedures or other. In this cases, new declarations are published on or website www.roechling.com, earlier declarations automatically become invalid in that case.

This document has been printed automatically and is valid without any signature.
