Product: SUSTADUR PET GLD 120 grey

We hereby confirm that our semi-finished products made of

SUSTADUR PET GLD 120 grey

Polyethylene phthalate (PET) is compliant with applicable FDA regulations for food contact.

This product is extruded by using of high-quality polyethylene phthalate resins (polymers, additives or colorants). According to the manufacturer's data, the used PET resins meets the requirements for use in food contact applications according to

Federal Regulations CFR 21, part 177, paragraph 1630 "Polyethylene phthalate polymers".

Any additives, that may be present, comply with appropriate, specific FDA Regulations.

Paragraphs of 21 CFR	177.1630 Polyethylene phthalate polymers 177.1550 Perfluorocarbon resins 178.3297 Colorants for polymers
Restrictions	The finished articles are to contact all food only under conditions of use E through G described in table 1 or 2 of § 176.170(c) of this chapter.

Compliance with these requirements was not checked on the semi-finished product, as these generally relate to the final article. The exact provisions of the aforementioned paragraphs of 21 CFR can be found at:

<https://www.accessdata.fda.gov/scripts/cdrh/cfdocs/cfcfr/cfrsearch.cfm>

The quality assurance system of Röchling Sustaplast SE & Co. KG is certified as per DIN EN ISO 9001 and serves as an important basis for the constant composition and quality of **SUSTADUR PET GLD 120 grey**

Note:

It is the customer's own responsibility to test the suitability of plastic items manufactured from or with our products for the planned application in the foodstuff industry. That includes for example:

- testing, if the physical characteristics of the plastic are suitable for the planned application,
- testing, if plastic parts manufactured by the customer fulfil the prescribed migration or extraction values,
- testing for possible influence of the plastic on the composition and/or organoleptic characteristics of foodstuffs,

The information above is based on the information provided by our suppliers. We are not liable for completeness and correctness of information contained herein. Existing laws and regulations must be respected by the receivers/users of our products in their own responsibility. This declaration is reevaluated in case of expiry of validity, modifications of directives and laws, raw materials, formula, manufacturing procedures or other. In this cases, new declarations are published on or website www.roechling.com, earlier declarations automatically become invalid in that case.

This document has been printed automatically and is valid without any signature.
